Innosuisse – Swiss Innovation Agency

INNOSUISSE SWISS INNOVATION AGENCY

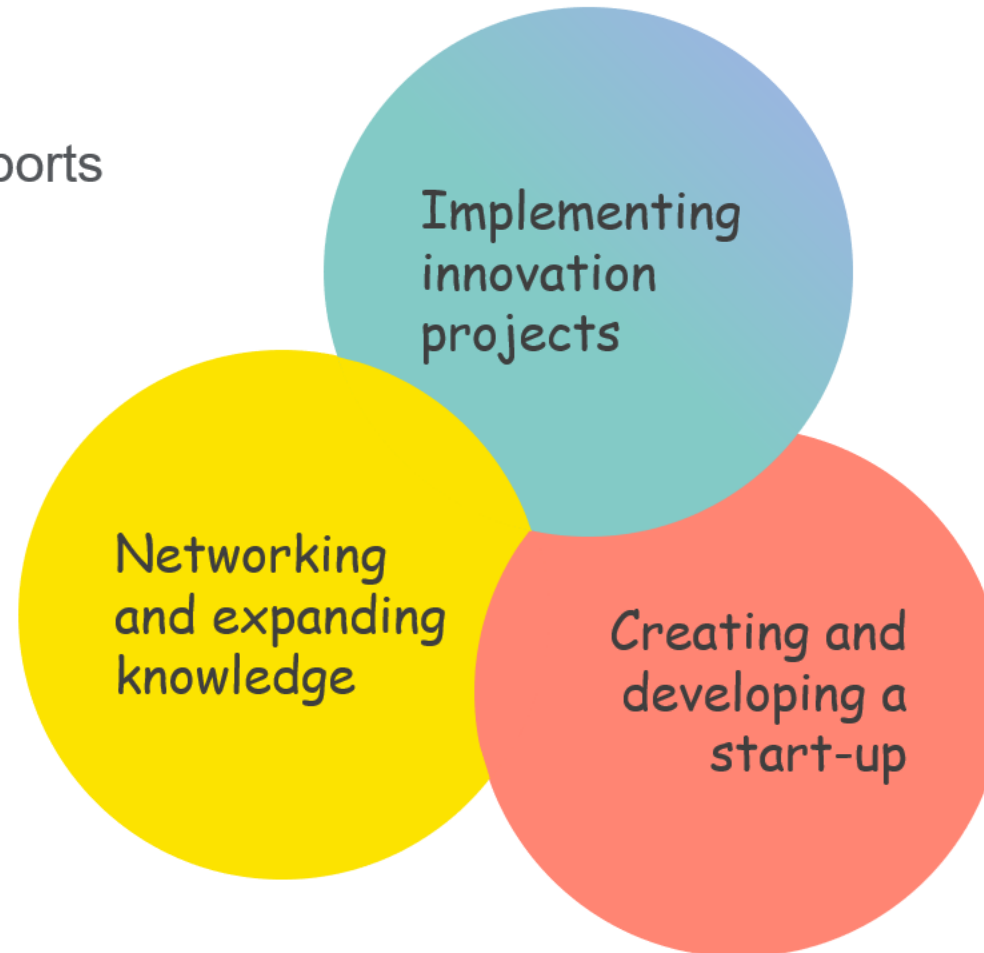

Innosuisse is the Swiss Confederation's agency for promoting innovation.

OUR MANDATE

Innosuisse promotes **science-based innovation in the interest of the economy and society** in Switzerland – in all disciplines.

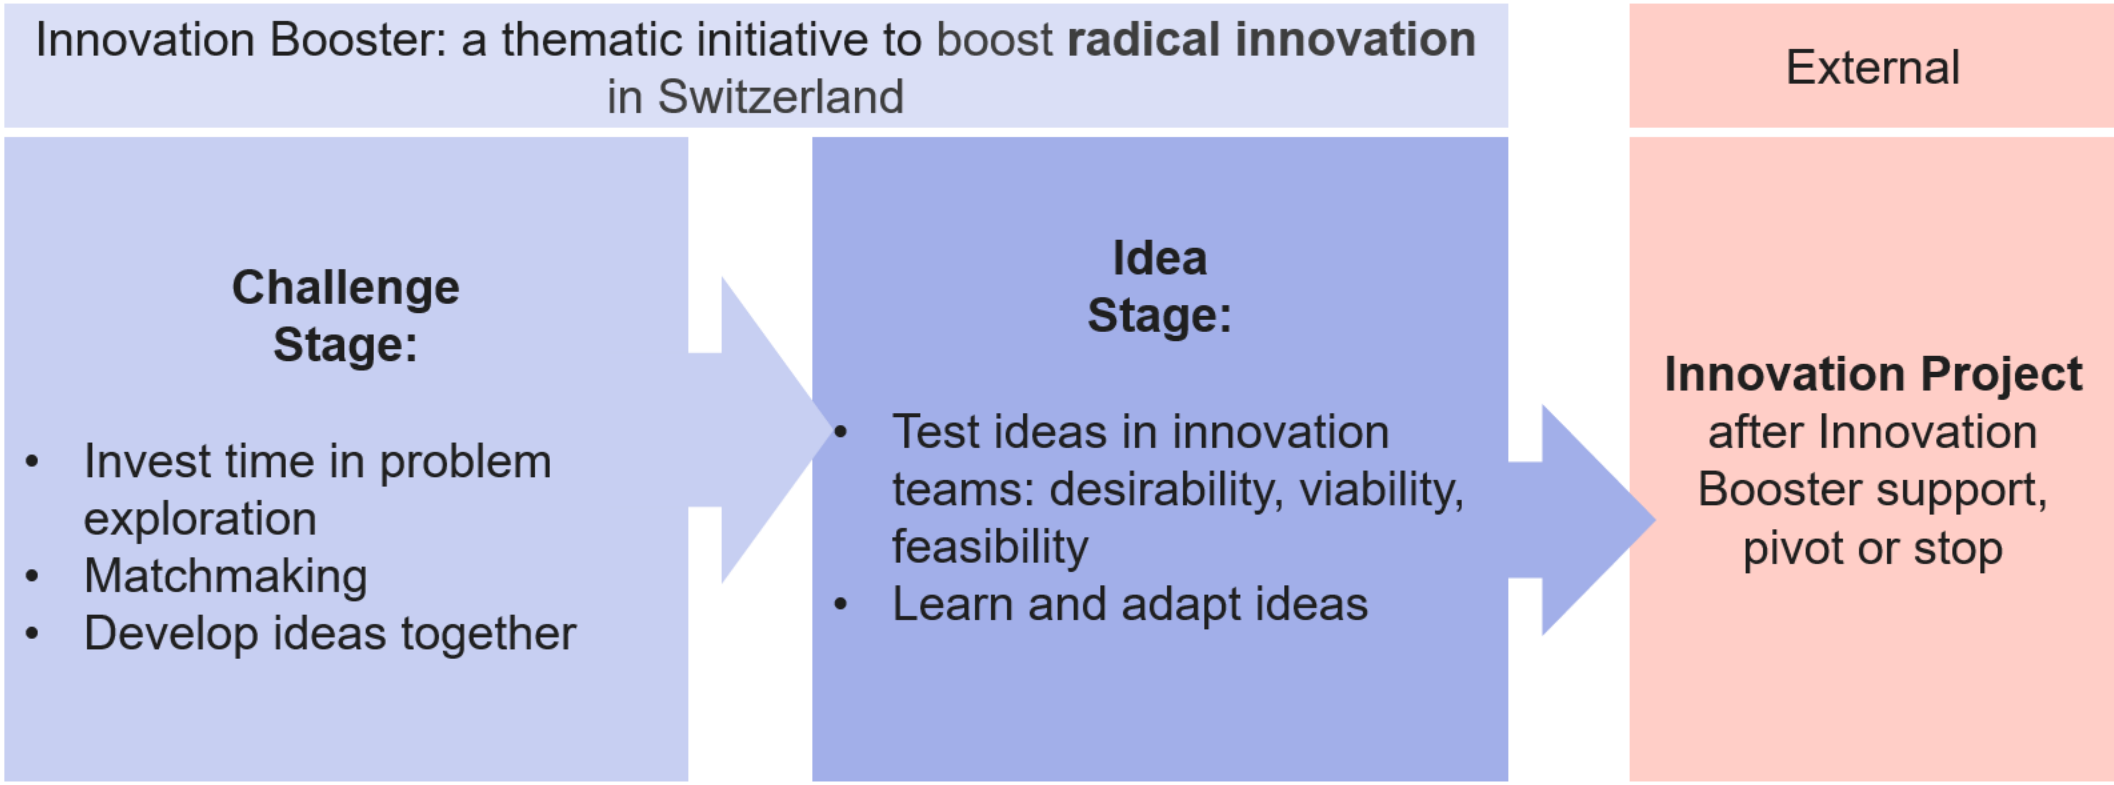

INNOSUISSE – YOUR PARTNER FOR INNOVATION

How Innosuisse supports
your science-based
innovation:

THE INNOVATION BOOSTER PROGRAM

→ Foster an **open innovation** culture

→ Use **agile learning cycles**

→ Make **user-centricity** the key of the innovation journey

We are on a mission to establish Switzerland as a Digital Health Nation

DAYONE

BASEL AREA

Digital Health Nation:

blend health and technology
through open innovation

From Problem to Idea:

Through our public event series, we collaborate with patients, clinicians, healthcare professionals, and entrepreneurs to explore solutions to healthcare challenges.

From Idea to MVP

Our accelerator program offers guidance and support, with experts providing customized coaching on feasibility, prototyping, and market readiness to **20 selected ideas**. Plus, we provide non-dilutive funding of up to 20,000 CHF per phase.

Consortium collaboration

DAYONE

BASEL
AREA+

Joint public events

Shared idea submissions

Thematic priorities of high impact

Knowledge exchange

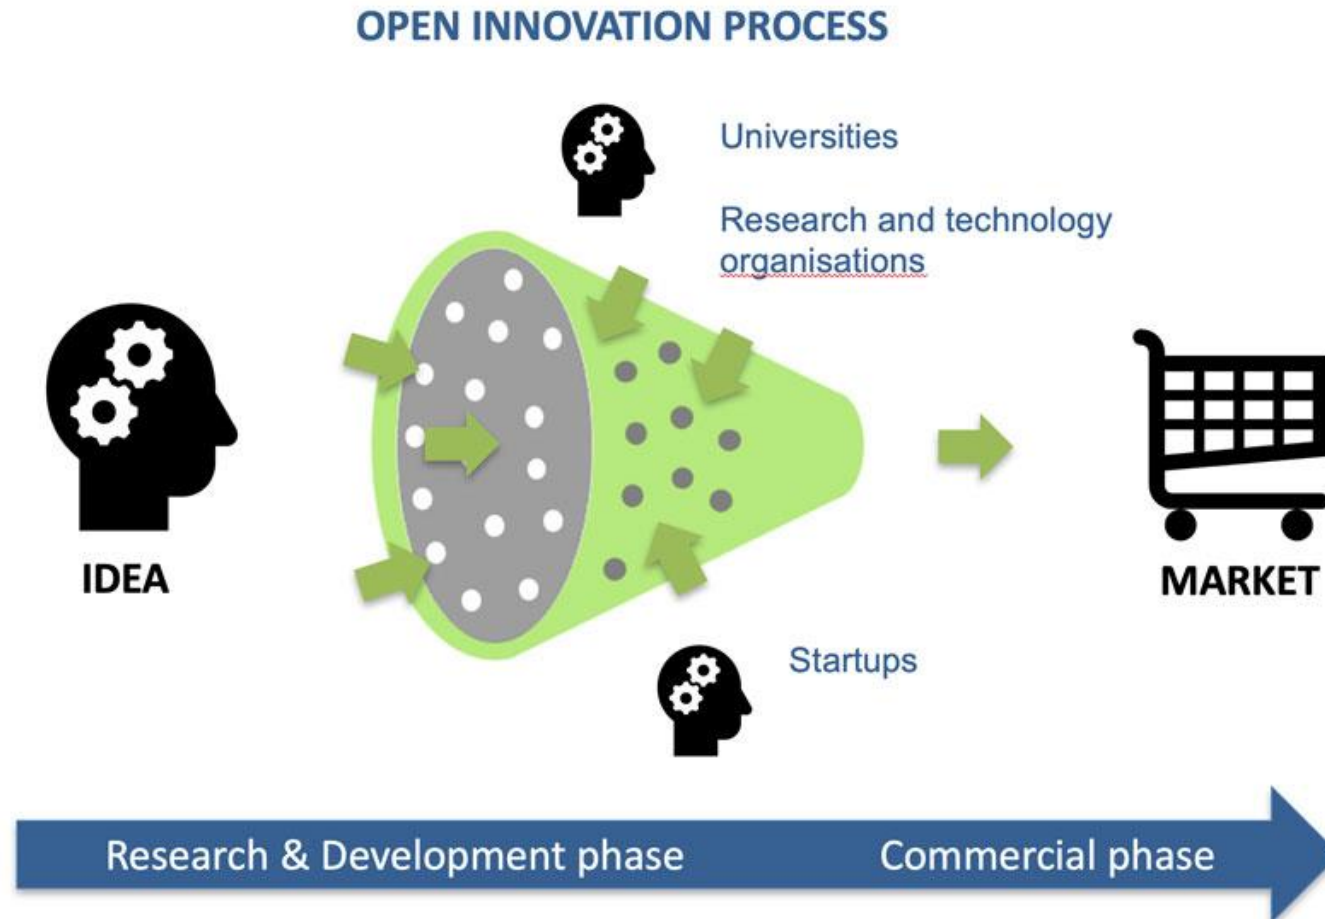

We expose ideas to open innovation to enrich and validate them fast

DAYONE

BASEL
AREA

Key collaboration success factors:

- In-person and online dialogue
- Shared goal, but individual roles
- Adaptability of new ideas
- Transfer of knowledge from the existing projects and ideas
- Boost visibility
- Mutual respect and trust

20

projects accelerated per year

16

consortium partners

1400+

community members

Digital Health Nation is a vibrant, future-oriented community of bright minds with shared goals and a deep desire to improve patients' and HCP's everyday life through health innovation. Be in - as health is our most precious gift in life.

Ekaterina Karpuzova
Bayer Consumer Care

DayOne Accelerator has been a game changer for our early-stage startup. It has offered top quality advice and guidance on understanding our customer, building our prototype and much more. It has also supported our startup financially at a very crucial time.
